A Message from Mrs. Gonzalez...

As FSA Computer Based Testing (CBT) continues this month, are 3rd, 4th, and 5th graders are in "Testing Mode." During this month, our 3rd graders will also continue completing the Portfolio Assessment. It is important that all boys and girls are in school every day, on time and prepared to learn.

We look forward to honoring our many, many students who made the Honor Roll during the 3rd marking period. If your child is being recognized, you will receive an invitation to this event. The 3rd quarter Honor Roll Assembly will take place in May after testing has been completed.

Miami-Dade County Public Schools United Way of Miami-Dade 2016 Student Campaign recognized our school for achieving 615% of our student goal. A special "Thank You" to all our CME students and parents that participated in the United Way activities in October.

Counselor's Corner

Dear Parents,

I'm so excited to be back! Thank you all for your well wishes and warm welcoming. Although we are getting close to the finish line, please remember that I am here for you for whatever you may need.

I know this month is filled with testing, but just remember to keep calm so our students are at ease while testing is going on. They will do fabulous!

We do our BEST... No matter the TEST!!!
