February's Character Value is Cooperation

**March
2024**

A Message from Mrs. Gonzalez...

We are counting down the days for the Florida State Assessments. During the month of April all our kindergarten through 5th grade students will be participating in some form of formal assessment. The schedule of the April Assessments will be sent home in the near future. Please remember that it is important that all boys and girls are in school everyday, on time and prepared to learn.

Our school continues to be recognized for our outstanding Pre-K program. We currently have three VPK classes and one Exceptional Student Education (ESE) class. All those who signed up in February have their spot reserved. We still have open spots but they will fill up quickly so don't delay.

Counselor's Corner

We are participating in a Mindfulness Challenge during the month of March. Just 5 minutes of mindfulness a day can help you stay calm, help with focus, and reduce stress. The more we practice it, the more it becomes a part of our daily routine.
