## Biography

### CHRISTINA M. EVE

Christina M. Eve was born March 18, 1917 in Gainesville, Florida, to Jesse and Nellie Martin. Encouraged by his sister Kizzie Dorsey, who often spoke of the business boom in Miami, Jesse moved the family to Miami in 1925. Christina grew up in Overtown at 1717 NW 5<sup>th</sup> avenue with the Johnson, Bethel, Newbold, and Sand families as neighbors. Her family attended Ebenezer United Methodist Church, where Christina M. Eve had been an active member for 75 years.

Christina M. Eve attended Dunbar Elementary and went on to graduate from Booker T. Washington Senior High School in 1935. In 1939, she graduated from Bethune-Cookman College in Daytona, Florida, and then returned to Miami to become a substitute teacher for the Dade County Public School System. Later, she became a permanent teacher at Liberty City Elementary School. In 1940, while teaching at Liberty City, Christina along with other teachers, helped organize the Egelloc Civic and Social Club. The Egelloc Club was established by a group of women dedicated to social change and the improvement of conditions for black youth in the Miami community. The club was named Egelloc (college spelled backwards) because it was something that all the women had in common; they were all college graduates. Today, the Egelloc Club continues to be a contributing force in the community. One of the major programs instituted by the Club is the "Men of Tomorrow", a program that encourages 11th grade males to continue their pursuit of higher education.

Christina became a member of Sigma Gamma Rho Sorority, Inc., Gamma Delta Sigma Chapter in 1968. Since that time, she served as Basileus (President), 1st Anti-Basileus (Vice-President), Parliamentarian for numerous years and chaired various committees throughout the years. She was inducted into the Sigma Gamma Rho Sorority, Inc. National Hall of Fame in 1998. Mrs. Eve, a dedicated member of this organization, served as CEO of the Allene V. Taylor Memorial Center from 1994 to 2004.

In 1943, Christina married and moved to New York for 15 years. In New York, she owned and operated her own business, Public Demographics and Mail Listing. During World War II, the U. S. Government employed her as a Junior Buyer for the New York Military Subsistence Market center. Christina states the "this was one of the most interesting jobs I ever held outside of teaching."

Mrs. Eve returned to Miami when her father died, and her mother became ill. Before Christina's arrival, Mrs. Linnie W. Fannin spotted her name on a list of returning educators and immediately hired her to teach at R. R. Moton Elementary. She was later appointed as the reading teacher for the district.

Christina M. Eve was in charge of developing and writing diagnostic tests to be used by south districts to improve student reading levels and fundamentals. At the time, she was part of the only diagnostic center in the country.

As a result of her success with literacy program in Dade County, The Carnegie Foundation selected Christina M. Eve as Associate Director of all reading fundamentals at Bethune-Cookman College. Mrs. Eve was responsible for training teachers in surrounding counties.

Christina M. Eve was appointed assistant principal of Pine Villa Elementary from 1968 to 1969. In 1970, she became the first black to be appointed principal at an all white school, Treasure Island Elementary on Miami Beach, and served in that capacity from 1970 to 1980. In 1980, Mrs. Eve was selected as the first principal at the newly opened, and only Solar Energy School in the Southeast, Gloria Floyd Elementary in South Dade. She served as principal there until she retired from the Dade County Public School system in 1984.

Christina M. Eve achieved great success, and received many accolades over the years: BA Degree (Shaw University, Raleigh, NC); Master's Degree (New York University); Advanced Study (University of Miami), Barry University, FL Atlantic University; Sigma Gamma Rho Sorority-Registered Agent of the Allene V. Taylor Memorial Center; United Methodist-District Secretary; Church Women United -1st Vice President; Dade County Retired Teachers Association-1st black female president; Class of 1935 (High School) – Class President; and letter of commendation from Senator Robert Graham and Governor Lawton Chiles for her dedication and accomplishments in education.

On November 9, 2000, Christina M. Eve was bestowed yet another honor by Miami-Dade County Public Schools: a brand new 8 million dollar school was dedicated in her honor, Christina M. Eve Elementary School.

On Friday, December 16, 2005, at 4:04 p.m. she quietly slipped away to her heavenly home to be with her parents and siblings: James, Lenora and Jesse: who preceded her in death.

### **Closing of School**

The emergency closing of a school for any cause, such as weather or in which the safety of individuals may be endangered, is only at the discretion of the Superintendent of Schools.

### **Community School Program**

The Community School Program offers an opportunity for the public-school system to determine the needs of the community and provides a mechanism to meet those needs. The curriculum of the Community School Program is as wide and varied as the needs of the community it serves. Community schools provide programs that are funded by fees, tuition, grants, and donations, on community school sites, in adult centers, in satellite programs, and at off-campus, non-public school locations throughout Miami-Dade County.

Each of the 39 Community Education Centers offer classes for individuals of all ages, skill levels and language capabilities. Students enrolling in language or computer classes have the opportunity to enhance the job skills needed to satisfy the demands of today's world. Annually, thousands of people have taken advantage of these recreational and educational opportunities, and if an individual or group wants to acquire a specific new skill, Miami-Dade County Public Schools can work with each to create a class that suits the needs of all interests.

## Emergency Contact Information

Emergency Student Data Forms are distributed during the first week of school. Students are expected to bring the forms home and present them to their parents/guardians. The form must be carefully completed and returned. The information provided on the Emergency Student Data Forms will enable school staff to contact the parent/guardian immediately in the case of an emergency. Parent/Guardian(s) that provide a cell phone number will receive text messages should an emergency arise. Students may only be released from school to the persons listed on the form after presenting a picture identification. No persons, other than school staff, will have access to the information submitted.

## Fieldtrips

All fieldtrips must be approved by the principal and Region Superintendent. Participation in fieldtrips requires that the student present a fieldtrip form signed by the parent/guardian to his/her teacher(s) in advance. In addition, at times vendors who have a “no refund” policy will require schools to pay the full amount of the fieldtrip prior to the event. In this case, students/parents will be notified in advance of the vendor’s “no refund” policy.

All students and chaperone must wear the Christina M. Eve Elementary School fieldtrip t-shirt to all fieldtrips. ALL CHAPERONES MUST BE CLEARED AS VOLUNTEERS. Please remember this takes a long time to process. The day of the fieldtrip is too late for a parent to get “cleared” as a volunteer.

## Flu Vaccine

Miami-Dade County Public Schools has partnered again with Healthy Schools, LLC for the 2018-2019 school year to provide **FREE** flu vaccines to students enrolled in M-DCPS. This year’s “**TEACH FLU A LESSON**” student vaccination campaign will begin **September 11 thru October 11**. Each school will have a specific clinic date.

Parents/guardians have the option of providing consent through the Parent-Portal using their digital devices or complete a paper consent form. Parents/Guardians **MUST** provide consent if they want their child to receive the flu vaccine. Parents/Guardians should contact their child’s school to determine when the flu vaccine will be offered at their child’s school.

## Grade Reporting

Academic Grades:

Academic grades are to reflect the student’s academic progress based on the competencies/benchmarks for the grade level/course in which the student is enrolled. The grade must not be based upon student’s effort and/or conduct.

KINDERGARTEN GRADES	NUMERICAL VALUE	VERBAL INTERPRETATION	GRADE POINT VALUE
E	90 – 100%	Outstanding progress	4
G	80 – 89%	Above average progress	3
S	70 – 79%	Average progress	2
M	60 – 69%	Lowest acceptable progress	1
U	0-59%	Failure	0

# MIAMI-DADE COUNTY PUBLIC SCHOOLS PARENT/STUDENT HANDBOOK

K-12 GRADES	NUMERICAL VALUE	VERBAL INTERPRETATION	GRADE POINT VALUE
A	90 – 100%	Outstanding progress	4
B	80 – 89%	Above average progress	3
C	70 – 79%	Average progress	2
D	60 – 69%	Lowest acceptable progress	1
F	0-59%	Failure	0
I	0	Incomplete	0

### Conduct:

Conduct grades are to be used to communicate to both students and their parents/guardians the teacher’s evaluation of a student’s behavior and citizenship development. These grades are independent of academic and effort grades.

### Grade Point Average:

When calculating the grade for a semester or an annual course, the following grade point averages are to be used.

- A = 3.50 and above
- B = 2.50 – 3.49
- C = 1.50 – 2.49
- D = 1.00 – 1.49

### Homework

Principals are encouraged to work with teachers and parents to implement guidelines found in [Homework Policy 2330](#). Teachers are required to provide students with make-up assignments once the absence has been excused; however, it is the responsibility of the student to request the assignments from the teacher(s).

Homework is any activity or assignment directed by the teacher to be performed outside the classroom that may include reviewing knowledge or skills learned in class. Research indicates the following:

- Elementary-level homework should focus on establishing study habits and learning skills.
- The amount of homework increases significantly as a student progresses through school.
- Homework should be necessary and useful, appropriate to the ability and maturity level of students, well explained and motivational, and clearly understood by students and parents.
- Homework should have a clear purpose, be tied to current subject matter, assigned in amounts and levels of difficulty which students can complete successfully and should be checked quickly, with feedback to students.
- Assigning homework on a regular basis may increase achievement and improve attitudes toward learning.

# MIAMI-DADE COUNTY PUBLIC SCHOOLS PARENT/STUDENT HANDBOOK

As such, homework is important to student learning at Christina M. Eve Elementary School, and the purpose of this Homework Plan is to guide teachers, parents and students in ensuring that homework is meaningful and supports the learning experience of all students.

Homework can be assigned for different purposes: (1) to PREPARE information or materials for future learning activities (e.g. gather resources, read something for a class discussion, or rehearse for a presentation), (2) to PRACTICE new knowledge or skills (e.g. read for pleasure, practice physical skills, practice a musical instrument, use knowledge to complete a project, or practice basic literacy and math skills.), and/or (3) to ENRICH students' understanding of a topic and apply it in new ways (e.g. research local news, investigate a science experiment, write daily or weekly reflections in a journal, or apply skills to a class project).

## Teacher Guidelines

- Review, discuss and return, if collected, homework in a timely manner.
- Whenever possible, communicate and coordinate assignments so that students do not receive an overload of homework.
- Explain homework assignments to the students prior to the assignment. Teachers shall communicate homework assignments in at least one of the following ways: send a packet home, write assignment on the board, require students to record it, and/or make available through emails, websites or hotlines. The use of a variety of strategies is encouraged.
- Teach techniques that can help students allocate their time wisely, meet their deadlines, and develop good personal study habits.
- Communicate with parents to inform them about homework expectations, policies, and procedures.
- Communicate ways in which parents can best assist their children in doing homework independently.
- Communicate with parents at the earliest possible opportunity once the student has demonstrated consistent inability to complete homework.

## Parent Guidelines

- Provide a quiet space and basic materials for homework completion.
- Teach techniques that can help children allocate their time wisely, meet their deadlines, and develop good personal study habits.

## Homework Time Expectations

The recommended minutes include assignments for all subject areas and teachers collectively per school day:

- Grade K-1: thirty (30) minutes
- Grades 2-3: forty-five (45) minutes
- Grades 4-5: sixty (60) minutes

## Make-Up Work

Students who miss school work because of an excused absence shall be given the opportunity to complete all assignments and tests that can be reasonably provided. As determined by the teacher, the assignments and tests shall be reasonably equivalent to, but not necessarily identical to, the assignments and tests missed during the absence. Students shall receive full credit for work satisfactorily completed within three (3) school days upon the return to school. After successful completion of all make-up assignments, the student cannot be penalized for that absence. **Please note that parent/guardian must request make-up assignments. Failure to make-up all assignments will result in lower assessment of the student's academic and/or effort grade.**

## Excused School and Class Absences and Tardies

- Student illness: Students missing 5 or more consecutive days of school due to illness or injury are required to provide a written statement from a health care provider. The written statement must include all days the student has been absent from school. If a student is continually sick and repeatedly absent from school due to a specific medical condition, he or she must be under the supervision of a health care provider in order to receive excused absences from school.
- Medical appointment: If a student is absent from school due to a medical appointment a written statement from a health care provider indicating the date and time of the appointment must be submitted to the principal.
- Death in family.
- Observance of a religious holiday or service when it is mandated for all members of a faith that such a holiday or service be observed.
- School-sponsored event or educational enrichment activity that is not a school-sponsored event, as determined and approved by the principal or principal's designee: The student must receive advance written permission from the principal or the principal's designee. Examples of special events include: Public functions, conferences, and regional, state and national competitions.
- Subpoena by law enforcement agency or mandatory court appearance.
- Outdoor Suspensions
- Other individual student absences beyond the control of the parent/guardian or student, as determined and approved by the principal or the principal's designee. The principal shall require documentation related to the condition.

**All absences that do not fall into one of the above excused categories are to be considered UNEXCUSED (i.e. vacations, trips out of the country, illness of others, etc.).**

**ALL UNEXCUSED ABSENCES WILL RESULT IN A ZERO (0) BEING ISSUED FOR ANY WORK MISSED ON THE DAY OF THE UNEXCUSED ABSENCE.**

## Protocol for Addressing Concerns

For issues involving an individual teacher or class, parent/guardian address their concerns to the following individuals in the order below.

## Recess

Recess is supervised, unstructured playtime where children have choices, develop rules for play and release energy and stress. Recess will be conducted outdoors when weather permits. In the case of inclement weather, appropriate recess activities will be conducted indoors.

Schools shall provide at least 100 minutes of supervised, safe, and unstructured free-play recess each week for students in kindergarten through grade 5, so that there are at least 20 consecutive minutes of free-play recess per day.

## Safety and Security

- **Code Yellow/Code Red**

In the event of an emergency, the primary responsibility of all school personnel is to provide for the safety of all students. In the event a school administrator announces a possible threat to students and staff safety exists within the community (Code Yellow), or an imminent threat to students and staff safety exists within the school (Code Red) students, faculty and staff will comply with all the procedures outlined in the Miami-Dade County Public Schools Critical Incident Response Plan and remain on lockdown until a school administrator makes an “All Clear” announcement.

# MIAMI-DADE COUNTY PUBLIC SCHOOLS PARENT/STUDENT HANDBOOK

- **Emergency Operations Plan**

Student and employee safety is a primary concern of the Miami-Dade County Public School (M-DCPS) System. The Emergency Operations Plan (EOP) was created to provide school personnel with the necessary leadership skills and knowledge needed to respond to critical incidents or other related emergencies that may occur in our schools/community. All schools have a site-specific plan to address all types of critical incidents. These plans address the individual needs of the school and provide guidelines for devising methods for communicating with the staff, students, parents/guardians, and the media during a critical incident or an emergency. Some of the protective action procedures include the evacuation of students/staff from the building(s), evacuation of the disabled and if necessary the relocation of students/staff from the school campus, lockdown procedures and holding/dismissing students during school and community emergencies. Some important tips for parents/guardians to remember during a Critical Incident are as follows:

- Remain calm;
- Monitor media outlets for updates and official messages from M-DCPS;
- Do not flood the school with telephone calls; and
- If the school is on lockdown, wait until the lockdown is lifted before going to the school.

All school administrators, Region Center Superintendents/Directors and all M-DCPS Police officers have been adequately trained in the school EOP and are prepared to respond immediately during a critical incident or emergency to provide safety for all children.

- **Fire Drills**

Ten fire drills will take place during the school year according to the Miami-Dade County Public Schools Policy and Emergency Procedures. At the sound of the emergency bell, students must stop what they are doing and follow the teacher's instructions. Students must clear the building promptly by the prescribed route. Any student who is in the hallway or the restroom at the sound of the emergency bell must proceed to the nearest exit and locate the teacher. Students, teachers and staff must remain outside the building until permission is given to re-enter.

- **Visitors**

Due to legal regulations, students are not permitted to have guests attend school with them at any time. Parents/guardians are always welcome and tours may be arranged to view the school. Classroom visits require a 24-hour notice. Visitors must first register with security at the main entrance, sign-in, produce photo identification, and then proceed to

# MIAMI-DADE COUNTY PUBLIC SCHOOLS PARENT/STUDENT HANDBOOK

register in the main office. Anyone who fails to follow these procedures will be considered a trespasser and is subject to arrest.

## **School Activities/Clubs**

All School Activities, clubs, and organizations must be approved by the principal and conform to the district policies 5845 - Student Activities, 5830 - Student Fundraising and 9211 – Parent Organization, Booster Clubs, and Other Fund-Raising Activities.

- **Clubs**

Miami-Dade County Public Schools' students may participate in a wide variety of activities, including student council, subject-area clubs, honor societies, service clubs, school publications and class activities. School-sponsored clubs may be curriculum-related or noncurricular-related.

Curriculum-related clubs are student groups whose goals are an extension of the activities and objectives in a particular subject area within the school's curriculum. Conversely, noncurricular-related clubs are student groups whose goals are special interest oriented and not directly related to the curriculum. Meetings of noncurriculum-related clubs may be scheduled only at times when instruction is not taking place, either before or after school.

## **School Class Picture Process**

The school class picture monies will no longer be collected by school staff for this activity. Collection of monies will be conducted by the photographer and/or photographer's staff.

At no time, shall a staff member, parent, volunteer, or member of a school-allied organization such as the PTA handle school class picture monies.

## **School Transportation**

Miami-Dade County Public Schools will transport more than 60,000 students a day this school year, using a fleet of 1,300 buses on nearly 1100 school-bus routes. The service is for students who live more than two (2) miles from their assigned school and for special needs students.

Before school begins, parents/guardians of all students eligible for bus transportation will receive a post card from the school district identifying the student's bus stop and times of pick-up and delivery. Information on student bus assignments will be posted on the Parent Portal at [www.dadeschools.net](http://www.dadeschools.net). The information on bus assignments on the [Parent Portal](#) is updated each night. Parents/guardians are encouraged to check the Parent Portal throughout the school year to obtain the most current information on their children's bus assignment.

Parents interested in determining their child's transportation eligibility should contact their child's school for information.

## **Special Education**

The School Board of Miami-Dade County ensures that all students suspected of having a disability are identified, evaluated, and provided appropriate, specially designed instruction and related services, if it is determined that the student meets the state's eligibility criteria and the parent/guardian consents to initial placement.

# MIAMI-DADE COUNTY PUBLIC SCHOOLS PARENT/STUDENT HANDBOOK

As the parent/guardian of a child with disabilities, you are a very important member of the team that plans your child's education. Be informed and get involved. If you have any questions, please contact your child's school. Staff from the special education department and your child's student service provider will help to answer your questions. Additional information may also be found at <http://ese.dadeschools.net/>.

## **Student Records**

Parents, guardians and students are protected by The Family Educational Rights and Privacy Act and the Florida Statutes from individuals' access to information in students' educational records and are provided the right to challenge the accuracy of these records. These laws provide that without the prior consent of the parent, guardian or eligible student, a student's records may not be released, except in accordance with the provisions listed in the above-cited laws. The laws provide certain exceptions to the prior consent requirement to the release of student records, which include, but are not limited to, school officials with a legitimate educational interest and lawfully issued subpoenas and court orders.

Each school must provide to the parents, guardians or eligible students annual notice in writing of their right to inspect and review student records. Once a student reaches 18 years of age or is attending an institution of post-secondary education, the consent is required from the student only, unless the student qualifies as a dependent under the law.

A student enrolled in an Advanced Placement (AP), International Baccalaureate (IB), or Advanced International Certificate of Education (AICE) course who takes the respective AP, IB, or AICE assessment and earns the minimum score necessary to earn college credit, as identified in s. 1007.27(2), meets the requirements of this paragraph and does not have to take the EOC assessment for the corresponding course.

## **Student Services**

The program structure supports educational reform initiatives and takes into consideration current social climate and the unique issues faced by the multicultural/multilinguistic populations enrolled in Miami-Dade County Public Schools.

## **Student Success Centers**

The Student Success Centers provide an educational setting and safe-haven for referred students (ages 11 and older) exhibiting Level III-IV behavior and (with Region approval) habitual Level II infractions of the Code of Student Conduct.

## **Toolkits**

- [Back to School Toolkit](#)

## **Transgender**

The School Board of Miami-Dade County has adopted comprehensive anti-discrimination and anti-bullying policies that require all students be treated with respect regardless of their unique characteristics, including sexual orientation or gender identity. Every student has the right to learn in a safe and accepting school environment and schools have a responsibility to provide a safe and nondiscriminatory environment for all students, including transgender and gender nonconforming students.

# MIAMI-DADE COUNTY PUBLIC SCHOOLS PARENT/STUDENT HANDBOOK

These guidelines are intended to promote a positive, proactive approach that upholds and protects the rights of transgender and gender nonconforming students; and best practices to ensure that transgender students and gender nonconforming students have equitable access to all aspects of school life (academic, extracurricular and social) in ways that preserve and protect their dignity.

## Uniform Policy

In accordance with Miami-Dade County School Board rule 6Gx13 – 5C – 1.031 parents have voted to have a mandatory uniform program at our school. Clothing may be purchased at any store but must conform to the styles and provisions of the school’s Uniform Dress Code.

Purchases at Ibiley Uniforms generate uniform vouchers for children who are not financially able to buy uniforms. Ibiley has opened their local store at 11530 S.W. 120 Street. The Christina M. Eve Elementary Uniform Dress Code is as follows:

- Skirts, culottes, pants, shorts or jumpers in the following colors: Khaki
- “Polo” style shirts in any of the following color choices: white, kelly green or burgundy
- Shirts must display the CME logo and not be oversized.
- Shirts must be tucked in at all times.

- CME Field Trip T-Shirt must be worn on all field trips
- **School T-Shirts may be worn ONLY on Fridays**
- Shoes should be closed-toe and socks are required
- Only CME sweatshirts and jackets may be worn

## Verifications of Residency

If verification is not provided or acceptable, the Superintendent may verify the student's residence.

Anyone who knowingly makes a false statement in writing with the intent to mislead a public servant in the performance of his/her official duty is guilty of a second-degree misdemeanor of the second degree under [F.S. 837.06](#). In addition, anyone who knowingly makes a false verified declaration is guilty of perjury, a third-degree felony under [F.S. 95.525](#).

## Volunteer Program

## MIAMI-DADE COUNTY PUBLIC SCHOOLS PARENT/STUDENT HANDBOOK

Any individual interested in volunteering in Miami-Dade County Public Schools must:

- Show a current valid government-issued identification with picture.
- Show a social security card (check name and number).
- Complete a background check.
- Upon clearance, attend an orientation at the school.

Parents are encouraged to provide assistance to pupils and teachers by engaging in a variety of services. The Volunteer Program provides valuable assistance to the instructional program. All volunteers are placed according to the school's needs. Volunteers are never placed in their child's class. All volunteers must undergo a background check before being assigned prior to participating in the program.

All volunteers must take part in an orientation process prior to becoming active in the school. The purpose of the orientation process is to inform volunteers of District requirements and procedures that must be followed at all times. Like visitors, volunteers must sign in daily and collect their volunteer pass from office personnel. In order to accompany classes on field trips, volunteers must provide a minimum of 5 hours service to the school in a capacity beyond fieldtrip supervision.
