April's Character Value is Honesty!

A Message from Ms. Gonzalez

As we reflect on how the coronavirus pandemic has impacted our society, we begin to realize the little things we took for granted; simple things like waking up and going to school, seeing our friends, watching morning announcements, participating in different school activities, and being proud and respectful GATORS.

We continue with our instruction through Distance Learning. Our teachers have been reaching out to our boys and girls as well as parents to make sure everyone is aware of daily instructional expectations. Teachers are eager to meet with their students and are providing high quality instruction via different platforms.

It is important that all boys and girls are signing in to their school portal daily in order for their attendance to be captured. All students are expected to be in school everyday, on time and prepared to learn.

If you need to reach me for anything, please don't hesitate to e-mail me at lidiamgonzalez@dadeschools.net

Counselors' Corner

Dear CME Family,

I hope everyone is doing well during this challenging time in our lives. I want you to know that I am still available during this time of distance learning. I have created a Teams group in Office 365 for each grade level. I am also available to meet with students via zoom. If you need to contact me, please e-mail me at kdelacalle@dadeschools.net

I have also created an IG account where I am posting ideas and strategies for parents on helping our kids during this time. Follow me at [DLC_Counselorscorner](https://www.instagram.com/DLC_Counselorscorner).

Remember this is new to all of us, some days will be hard, some days will be easy. We will get through this together! We are here to support you!

ALWAYS BELIEVE THAT SOMETHING Wonderful IS ABOUT TO HAPPEN
