## A Message from Mrs. Gonzalez...

We are counting down the days for the Florida State Assessments. During the month of April all our kindergarten through 5th grade students will be participating in some form of formal assessment. The schedule of the April Assessments will be sent home in the near future. Please remember that it is important that all boys and girls are in school everyday, on time and prepared to learn.

Our school continues to be recognized for our outstanding Pre-K program. We currently have three VPK classes and one Exceptional Student Education (ESE) class. All those who signed up in February have their spot reserved. We still have a few open spots but they will fill up quickly so don't delay.

## SPRING BREAK IDEAS

Looking for things to do during Spring Break? Here are some COVID friendly ideas to do with your family:

1. If you want to plan a trip, stick to road trips, since your car is the safest way to travel.
2. Go camping, hiking, and spend time outdoors in areas where it is easy to maintain social distancing.
3. Can't go on a trip? Plan a nature walk at a nearby park or take the kids for a bike ride. Visit [www.miamidade.gov](http://www.miamidade.gov) for a list of parks. Maybe you can explore a new park in our community!
