A Message from Ms. Gonzalez

It's been over a month since we started our Distance Learning. I can't thank our teachers and staff enough! We continue to provide the quality education that you expect at Christina M. eve Elementary School. It is evident that our school mission and spirit is alive.

I would like to take this opportunity to thank all our parents for their continued support, understanding and trust! Together we have transitioned into a new digital and virtual learning environment. We know these have been difficult times but we are here for you and we will get through this together. It is important that all boys and girls are signing in to their school portal daily in order for their attendance to be captured. All students are expected to be in school everyday, on time and prepared to learn.

If you need to reach me for anything, please don't hesitate to e-mail me at:

Everyone is applauding everyone but our children. These little heroes have stayed indoors more than they've ever known in their lives. Their whole worlds have literally been turned upside down. All these rules they've never known. A life they couldn't have imagined. All the things they love like sports, being with friends, going to school, or just being kids have all been taken away from them. Adults talking about others becoming unwell, news reporting death after death. Our poor children's minds must be racing. Every day they get up and carry on despite all that's going on. So here's to our little heroes: today, tomorrow, forever.

Counselors' Corner

Dear CME Family,

If your child would like to speak to me please send me an email at kdelcalle@dadeschools.net so that we can schedule a zoom call. Please follow me on Instagram @dlc_counselorscorner for resources and strategies. I am available for our boys and girls and you during this time of distance learning! Make sure to follow all social distancing guidelines to ensure that your families stay safe.
